

Memorial & Tribute Benches

Benches with a memorial plaque are available for sponsorship in pre-designated park, trail, or golf course areas throughout Lincoln. For a donation of \$1,600 donors can honor a loved one, special event or group.

Benches ordered between August 1st—January 31st of each year will be installed at the location in the spring. Benches ordered between February 1st—July 31st will be placed in the fall.

Afterwards, we will send you a proof for your approval for the plaque that will go at the base of the bench. We will proceed with your order once we receive your proof approval with signature. If adjustments are needed new proofs will be provided. Final orders are not submitted until approved proof is accepted.

Donors notified upon bench & plaque installation.

For further information please call 402-441-8258.

Donations may be made online at lincolnparks.org or mailed to
