The public rose gardens at Antelope Park include both a formal display garden of cutting roses and an informal strolling garden with hardy landscape roses with perennials and ornamental grasses. The garden features more than 1,500 roses, updated furnishings and ornamental lighting, a fountain, original sculptures and a pavilion at the south entrance.

You can help support the gardens by purchasing a tribute brick or bed of roses or volunteering your time to keep the gardens beautiful.

Bed of Roses

Over 100 varieties of roses are displayed in distinct, individual beds available for sponsorship. Each sponsored bed will be distinguished by an inscribed bronze plaque with the donor's choice of wording.

A contribution of \$1500 is accepted for a Bed of Roses. The plaque allows for 4 lines of text, with 16 characters per line.

Garden Gab

We invite you to be part of Garden Gab, a "learn and do" program at Lincoln's public display gardens at Sunken Gardens and Antelope Park. Garden Gab sessions are offered at 9 a.m. Tuesday and Thursday mornings through the growing season.

Each Garden Gab session begins at the Rotary Pavilion in the Sunken Gardens. Participants will briefly discuss current garden topics and then move to the gardens to assist with maintenance activities like deadheading, weeding, etc.

You can stay around and help us as long as you like, and bring a friend!

Volunteers are FUNdamental to Lincoln Parks and Recreation!
